

Parent Involvement Friendly Statement

Research tells us that when families and schools work together to support students that higher level performance occurs. Kirksey Middle School is committed to creating meaningful partnerships between parents, the school, and the community. Our belief is that these partnerships will lead to significant gains across the board in student achievement. By empowering and engaging parents to become actively involved in their children's education we will see that Kirksey empowers "every student, every day, the middle school way"!
