

Please sign and return to the school showing you received the parent friendly summary of the Parent and Family Engagement Plan.

Tucker Elementary School
Parent Friendly Summary of Parent and Family
Engagement Plan

A Parent and Family Engagement Plan is written to address the shared responsibility between the school and home in the learning process of the student. A compact is signed by the school parents and student stating they will commit to the plan. Activities that promote parent involvement are included in the plan as well as multiple ways parents can help within the school community.
